

# For Presenters On a Roll

888.468.1957

## Portable Collaborative Classroom

Works great in applications where a standard projection system is not possible or economically feasible.

Allows every classroom to share in your technology investments.

20" x 20" footprint fits easily into tight classrooms.

Rolls easily from room-to-room

Provides a secure, safe place for each component. Solid metal locking construction.

Projector shelf tilts for optimum position.

Includes steel locking doors, shelves and caster wheels with brakes.

Has built-in venting.

Utilizes projectors that contain NO FILTERS!

Optional accessories include: SchoolPad, document camera, and wireless microphone system.

### **Comes Fully Configured With:**

2000 Lumen SVGA or XGA Projector  
DVD/VHS Player  
Speaker System  
20 Foot Cord Reel and 7 Outlet Surge Protector  
Six Foot VGA/Audio Cable to Connect Computer  
Three Keyed-Alike Master Locks
